## Why is the Office Document Technology Forum Important to You?

For the mature office equipment industry, solutions represent **the** greatest growth potential available. Office document solutions is a market represented by a large population of unstructured document centric business processes that are managed in workgroup environments throughout small, medium, and large enterprise businesses.

InfoTrends, the leading market research and consulting firm for the office document and digital peripherals solutions industries, announces the first annual European “**Office Document Technology Forum (ODT)**,” scheduled for **24-25 October, 2007**.

The conference will provide informative and thought-provoking presentations and debates on a rapidly evolving category of document-centric solutions that address document capture, routing, workflow, document tracking and accounting, document storage, and records management requirements in the office workgroup. Attendees will gain the knowledge necessary for immediate and long-term success and profitability in this new and untapped market.

## Who is Shaping the Future?

InfoTrends estimates that the solutions market is worth approximately €237.6 million as of 2006, and is expected to grow to over €922.5 by 2010 demonstrating a CAGR of 42% over the forecast period. New business opportunities exist for companies that understand and interpret the underlying requirements for capitalising on this emerging market.

This sponsorship prospectus is designed to assist you in evaluating whether a sponsorship or exhibit package will help you generate visibility, build partnerships, and secure new business for your company. You should consider our offerings if:

- You want to demonstrate your leadership in this industry
- You want to drive growth in the office document solutions market
- You are responsible for cultivating partnerships and identifying new business development opportunities for your company
- You offer products, software, or services, and you're looking for new customers
- You would like face time with a select group of key industry executives

We're happy to work with you to identify a sponsorship package that is appropriate for your organisation.

## Sponsorship Benefits

This highly focused and interactive conference is perfect for networking, and the cost of sponsorship is kept reasonable to ensure satisfaction and maximum return on investment. Breakfasts, refreshment breaks and cocktail receptions are strategically positioned to maximise the visibility of each and every exhibit during the event. Here are just a few of the many sponsorship benefits:

- Intimate access to a group of industry decision-makers including vendors, suppliers and dealers
- 8 hours of networking time dedicated to making contacts and exchanging ideas
- Minimum of 1 conference pass
- Chance to demonstrate your solutions with an exhibit

Exposure will be given to all sponsoring companies for the duration of the 2-day conference, but don't underestimate the value of the exposure you'll receive through our direct marketing prior to the event. We use an integrated mix of marketing tools to attract the high-level executives you want to meet:

**Direct Mail** - customised mailings to the best prospects from our proprietary InfoTrends databases, as well as top industry association and publication lists.

---

**eMarketing** - a comprehensive online marketing program will optimize the power of electronic communications:

- Targeted electronic mail
- Directory listings
- Prominent exposure on the InfoTrends web site
- Strategic links on top industry sites, and more

**PR** - we will work to generate maximum media attention, editorial coverage and excitement about attending The Office Document Technology Forum.

### **Dynamic Conference Program**

Attendees will benefit from the insights and market analysis provided by InfoTrends analysts and leading industry experts. Power-packed sessions will cover the entire office spectrum from hardware to software to solutions.

Session topics will include:

- Solutions & equipment market forecast & trends
- New technology advances
- Vertical market opportunities
- Mergers & acquisitions
- Developing channels
- Sales & marketing strategies
- Building customer relationships
- Developing an effective dealer business model

### **Audience Profile:**

**Manufacturers** will attend to:

- Maintain or improve their competitive position
- Validate existing solution strategies for today and the future
- Network and build relationships with key software players and service providers
- Learn what user organisations require from a hardware platform today and what they will demand in the future

**Software Suppliers & Developers** will attend to:

- Learn about the size, dynamics and trends driving the market
- Validate their existing strategies for product development, partnering, and go-to-market initiatives
- Network and build relationships with key hardware players and service providers
- Learn what user organisations require from software-based solutions today and what they will demand in the future

**Dealers, VARs and Distributors** will attend to:

- Understand where the hardware market is going and how to capitalise on emerging market trends to increase revenues and profitability
- Discover how to expand new business opportunities around software-based solutions that support office equipment
- Find out how fast the solutions market is growing, the dynamics and trends driving the market, and what user organisations require from a document solutions provider today and what they will demand in the future
- Network, build relationships, and learn how to become a player with key software providers
